

ROHS, ROHS 2 & REACH COMPLIANCE STATEMENT

The EC Regulation No. 1907/2006 on Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) entered into force on June 1 , 2007.

Our business is a downstream user and as such we are liable for communication of information towards our customers, we are not liable for registration of substances. Chemical substances contained in products we sell, which may possibly be subject to registration, have to be registered by our suppliers / manufacturers, who in turn must advise us about chemical content.

We maintain contact with our suppliers to avoid SVHC materials being included in our products we sell. Based on the response statements of our suppliers no material from the ECHA Candidate List are included in our products or packages. Should it be found that our products or packages contain SVHC materials in the future, we will inform our customers immediately.

RoHS / RoHS 2 Compliance Declaration

Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) ("RoHS" directive), entered into force January 2013.

Euro-Impex Marketing Sp. z o.o. can confirm that to the best of our knowledge at the date of this statement, none of the products we supply contain any substances in excess of limits specified for restricted use.

For and of behalf of Euro Impex Marketing Sp. z o.o.
